

Major in Economics

This specialization allows students to deepen their core skills and knowledge in Economics. They will follow beginner and advanced classes in microeconomics, macroeconomics, and the history of economic thoughts with French bachelor students. They will also choose elective courses in line with their personal interests.

Courses mostly take place at Centre Pierre Mendès France, 90 rue de Tolbiac, Paris 13.

Important prerequisites: a B2 level in French language, as well as a solid background in mathematics.
